

New Source Review newspaper advertisements for construction permit applications, August 23, 2007. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: August 21, August 22, or August 23, 2007. Public notices are generally published every two weeks. The previous publication of public notices was August 9, 2007.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is Intex Enterprises, LLC with a mailing address of 193 Frank L. Diggs Drive, Clinton, TN 37716. They seek to obtain an air contaminant permit (Division identification number 01-0177-03/60046) for construction of a post curing painting process located at the same address. This proposed operation would consist of a dry spray booth and curing oven. A baghouse would be used for pollution control. There would be physical construction. Regulated air contaminants will be emitted by this source. Mr. Malcolm H. Butler is the assigned Division person.

For the Anderson County *The Courier-News* -- published once on or before Thursday, August 23, 2007.

The applicant is H & E Block and Supply, LLC with a mailing address of P.O. Box 1380, LaFollette, TN 37766. This company seeks to obtain an air contaminant permit (Division identification number: 07-0140-01/60999) for a Concrete Batch Plant located at 230 First Street, LaFollette, TN 37766. This operation consists of a cement silo, conveyors, and a loading hopper. A fabric filter would be used for pollution control. There would be physical construction. Regulated air contaminants are emitted by this source. Mr. Omar Al-Khatib is the assigned Division person.

For Campbell County *"The LaFollette Press"* -- published once on or before Thursday, August 23, 2007.

The applicant is Hamlett-Dobson, Inc. with a mailing address of P.O. Box 27, Kingsport, TN 37662. They seek to obtain an air contaminant permit (Division identification number: 90-0370-01/61086) for construction of a Pet Crematory at 1747 Highway 93, Fall Branch, TN 37656. This proposed operation would consist of an incinerator and associated equipment used for cremation of animal remains. Liquid propane or natural gas would be used for fuel. An afterburner would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. D. Logsdon is the assigned Division person.

For the Washington County *Johnson City Press* -- published once on or before Thursday, August 23, 2007.
